The workshop is organised within the framework of **2015 European Industrial and Technical Heritage Year**, a campaign of the European Federation of Associations of Industrial and Technical Heritage (E-FAITH), with the support of UNESCO and the Council of Europe.

The workshop aims to ensure a good framework to present and debate the complex issue of industrial heritage (inventory, conservation, promotion, reuse), with the participation of specialists from different related fields.

Venue:

Romanian Railways Museum, 193 B Calea Griviței (near Bucharest North Railway Station), Sector 1, Bucharest.
